

# WORLDWIDE REACH AND DISTRIBUTION

SUEK's manufacturing and logistic assets are located in eight Russian regions, while sales and representative offices operate in key export regions around the world.

The geographic spread of our operations and access to key transport infrastructure enable us to supply coal effectively to Russian, Western and Eastern markets.

## OUR GLOBAL PRESENCE

1 Kemerovo	2 Khakasia	3 Krasnoyarsk	4 Buryatia	5 Zabaikalye	6 Khabarovsk	7 Primorye
